The appearance of the GFFP Certified Mark of Trust™ on packaging certifies that the manufacturer adheres to the Gluten-Free Food Program (GFFP) standards endorsed by the National Celiac Association. It shows consumers that the manufacturer and brand owner have approved gluten-free manufacturing standards in place resulting in no wheat, barley, rye, and common oats, their hybrids and derivatives in product, processing and packaging. Verification testing has been performed that meets the highest industry standard of 5 ppm (parts-per-million) or less of gluten content using the most appropriate methods for detecting gluten in food.
